## NOTES TO HOME WEEK OF OCTOBER 5, 2020

**This Friday (October 9th) is a Half Day!**

Dismissal is at 11:45am

**Beginning of the Year Forms:** On Monday and Tuesday we will be handing out another copy of the Student Emergency Information Form to any student who has not handed in this important form. Please check your child's backpack.

**For Virtual Students:** We plan to mail a copy of the Student Emergency Form to you early next week along with any medical forms. We would like to have a copy on hand for when your child may return to school! Please look for the forms the end of next week. Thank you!

**Drinking Water** - Our water fountain is only open for water bottle filling. We encourage all students to come to school with their own water bottle that is clearly labeled with his/her name. Thank you!

### Music

**Drama/Chorus Zoom. Join the Fun!!!** On Tuesday evening, October 13 at 7 p.m. we will restart our weekly Drama/Chorus Zoom. Chorus people and last year's Drama Cast will receive an invite from Ms. Allie. All new people, 6th graders and anyone that is interested, should contact Ms. Allie at [agraham@cclcs.info](mailto:agraham@cclcs.info). She will send you a link to the meeting. We will discuss how the Drama and Choral program will go forward this year (it will be fun!!!) and get a chance to reconnect and talk to one another. We know it is very important to rekindle friendships and make new ones, so join us!!! Thanks, Mr. Girardin and Ms. Allie.

### Seminar

**Fall Seminars** - On Wednesday, September 21 Fall Seminars are slated to begin. These seminars will be held virtually on Wednesday mornings. If you, or anyone you know, has an idea for a virtual seminar please let Hannah Kast, seminar coordinator, know! Community volunteers may look a bit different this year, but we welcome thoughts and ideas!!

### 6th Grade

**Virtual Open House** - Without the ability to host our traditional Potluck Open House we will be hosting a Virtual Open House on October 14 at 6 p.m. More details to follow. In preparation for the event, we would love to hear from you with any questions or concerns that you have after a few weeks of school. Do you need more info on the lunch program? Are you unsure who to contact if your child will be absent? Are you feeling frustrated by technology? Please use the link to our survey to submit questions before our Open House. We will be sure to address questions during the Open House event or we will reach out to you directly.

**Advisory and School Contact List** - Students have been assigned to an advisory group at the 6th grade level. Please contact your student's advisor with general questions and concerns. Content teachers can also be contacted with specific questions. Please ask your student who their advisor is, and feel free to get in touch!

### **7th Grade**

**Social Students** - Students did a nice job analyzing artifacts last week! This week, we will focus on understanding history through document analysis (no cookies needed!).

**Academic Block Questions** - If students have questions during their academic block, please remind them to email Miss Stewart at [cstewart@ccls.info](mailto:cstewart@ccls.info) as Mrs. Garran is teaching at school and likely won't be able to respond until after the school day.

### **8th Grade**

**ELA** - We will start our first novel, *The Red Pencil*, in ELA this week. All work for this novel can be found on Google Classroom! Students should be sure to bring their book back and forth from school to home each day as they will need to read on both they're in person and remote days.

Please check Jupiter Grades for any missing work. I am available during office hours on Wednesday to assist with getting students caught up. The zoom code for this meeting can also be found on Google Classroom.

Lastly, if you haven't had a chance to complete the "million word" essay please do so asap:
