Volunteering Opportunities:

We are looking for help!

- We are in great need of a parent to fill up our vans with gas once a week. Day and time is up to you!
- We are also looking for a few parents to stuff invitations for the auction this week. We are hoping to get our invitations out no later than next Friday.
- Finally, we are looking for more volunteers to help with our auction! Please visit SignUp Genius at: <https://www.signupgenius.com/go/8050A4BADAC29ABFC1-2019>

If you have any questions, please contact Sallie Probolus at sprobolus@cclcs.info or call the main office. Thank you very much!

Lost and Found is overflowing. Traditionally we donate all items at the end of each month. Please encourage your child to stop by the lost and found bin located at near the office. Thank you!

Halloween Dance! The Halloween Dance will take place on Friday, November 1st from 7-9 p.m. for ALL students. \$5 admissions, pizza and water will be sold at an additional cost. This dance will be sponsored by the student government, so student government reps should be prepared to come early (6:30 p.m.) to help set up and to stay late (until 9:30 p.m.) to help clean up. We need 5-10 parent volunteers to help chaperone this event. Please email Student Government advisors Ms. Kast (Hkast@cclcs.info) or Mrs. Hessler (ehessler@cclcs.info) if you are able to do so.

Auction Update

We are coming down to the wire and we must have more donations in order for our auction to be successful. The absolute deadline is Thursday, October 31st. We are also in need of more wine for our Wine Pull raffle.

Finally, we need many more volunteers for the auction in order for it run smoothly and be a festive event for everyone involved. The link for SignUp Genius is: <https://www.signupgenius.com/go/8050A4BADAC29ABFC1-2019>. Or please consider a monetary donation outright if you prefer. Thank you

Clubs and Activities

ART SPARK is CCLCS' after-school arts enrichment program. Session I begins Wednesday November 6 and meets every Wednesday from 3-5 p.m. until the end of January. This free, grant funded program offers students the opportunity to develop creativity. Two classes will be offered Session I: PAINT A MASTERPIECE, taught by Mrs. Greenwood and COLORFUL COLLAGE, taught by Ms. Nowack. Students who participate will take turns bringing in snacks for ART SPARK students. Applications are available from Mrs. Greenwood or in the Main Office. Enrollment is limited and completed applications must be returned to Mrs. Greenwood no later than Wednesday, October 30.

The newly combined Bird and Nature & Roots and Shoots clubs will hold its first meeting this Wednesday after school until 5 p.m. This week, we'll kick off our year with a trip to Fort Hill in Eastham. We'll be hiking, looking for migrating birds and enjoying all the signs of the changing seasons. We're looking forward to a great year and hoping for many new members as most of our members last year graduated. Come join us! If you have questions, you can ask Mrs. GP in 8th grade, or Mrs. Titcomb in the office.

Also, we are going to try to go outside for at least a portion of every seminar, so bring a jacket in case it is cold.

7th Grade

Students had a project check in today. The next check in is next Monday, 10/28. They need to have two of their write ups (2 paragraphs each) completed. They should be working on their projects a little bit each day for optimal results. Also, please remember that replicas need time to dry depending on what they are made of! It's advisable not to wait until the last minute with things like clay and paint!
